Form/Schedule: F3XN

Transaction ID :

Memo#1: The Committee is aware of the regulations regarding the disclosure of the name, address, employer and occupation of every contributor who contributes more than \$200 aggregate in a calendar year. The Committee fully discloses all contributor names and other information as they are indicated by the contributor. Every solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law to report this information. If the information is not received with the contribution, the contributor is contacted per FEC guidelines by mail, telephone or email to obtain the missing information. All requests clearly ask for the missing information without soliciting further contributions, inform the contributor of the requirements of federal law for reporting this information, and, if the request is by mail, include a pre-addressed return envelope. Memo#2: Please note that the previously filed reports disclosed pre-payments for independent expenditures as operating expenditures. This report now discloses these as independent expenditures, based on date of public dissemination, as required. The negative operating expenditures are not vendor refunds but adjusting entries to move expenses from line 21b to line 24.

A diagram of a rectangular frame structure. It consists of 10 vertical bars and 3 horizontal bars. The top and bottom horizontal bars are continuous across the entire width. There are 10 vertical bars, with the first and last bars being continuous from top to bottom. Between the first and last vertical bars, there are 8 vertical bars that are connected to the top horizontal bar but have a gap at the bottom, where they are pinned to the ground. The bottom horizontal bar is continuous across the entire width.
